

Dear Investor,

Greetings from NSDL.

I am pleased to bring you NSDL Consolidated Account Statement (NSDL CAS). NSDL CAS is a single statement of all your investments in the securities market. All your investments in equity shares, preference shares, mutual funds, bonds, debentures, securitised instruments, government securities (other than held in SGL), commercial paper and certificates of deposit are included in this Consolidated Account Statement. It includes all investments held in single or joint names with you as the sole/first holder.

NSDL CAS is part of the overall vision to enable all financial assets to be held electronically in a single demat account, which was articulated by the Hon'ble Finance Minister in his budget speech of July 2014. As a step in this direction, SEBI has introduced this Consolidated Account Statement for all securities assets by consolidating demat accounts and mutual fund folios.

As a part of our endeavor to enhance investor experience, we have introduced the feature of viewing details of all your insurance policies held by you in your e-Insurance Account (eIA) with NSDL National Insurance Repository (NIR). In case you do not have eIA, please visit <https://nir.ndml.in/> to open eIA online. I am now introducing additional feature of Portfolio Value Trend whereby you will be able to view historical monthly movement of your consolidated portfolio value over time. We have also introduced two new fields viz., "Date of Birth" and "Aadhaar Number" under the section of "Know more about your accounts" in respect of your NSDL demat account(s). Additionally, a new feature of "Annualised Return" has been incorporated in NSDL CAS to provide information pertaining to return on your investments in respect of mutual funds schemes held in MF Folios.

I am sure that you will find NSDL CAS very useful. It offers you unparalleled convenience in keeping track of your investment portfolio. You can easily monitor the investments you hold, their value and portfolio composition. It will help you in developing strategy to manage your investments better. Further, we intend to bring you more features and services in the future. Please visit <https://nslcas.nsdl.com> for more information. We welcome your feedback and suggestions on this initiative of NSDL.

Yours Sincerely,

Padmaja Chunduru
Managing Director & CEO

NSDL Consolidated Account Statement (CAS)

Pursuant to the Interim Budget announcement in 2014 to create one record for all financial assets of every individual, SEBI had extensive deliberations with the Depositories, AMFI and RTAs of Mutual Funds (MF-RTAs) to implement the aforesaid concept with respect to financial assets in respect of securities market. As a first step in this direction, it has been decided to enable a single consolidated view of all the investments of an investor in securities held in demat form with the Depositories as well as in Statement of Account (SOA) form with Mutual Funds (MF).

NSDL CAS is a single account statement consisting of transactions and holdings in investor's demat account(s) held with NSDL and CDSL as well as in units of Mutual Funds held in Statement of Account (SOA) form. The statement also includes insurance policies held in electronic form with NSDL National Insurance Repository. The statement enables investors to have a consolidated view of his/her financial assets and provide an insight of his/her portfolio across various asset classes. NSDL CAS provides investor an enriched experience of managing his/her portfolio effectively and benefit him/her in many other ways viz. better decision making, simplified monitoring, rich analysis of portfolio etc.
